FROM GENDER SPECTRUM

DIMENSIONS OF GENDER

A person's gender is the complex interrelationship between three dimensions: body, identity, and social gender. Each of these dimensions can vary greatly across a range of possibilities and is distinct from, but interrelated with, the others. A person's comfort in their gender is related to the degree to which these three dimensions feel in harmony. Let's explore each of these dimensions in a little more detail.

May 11th

3pm to 5pm
